TIARA ARTOS

TIARA ARTOS

Hard wearing loop pile carpet for lovers of the “chalet-style” home where the practical and aesthetic benefits of wool make for a carefree and cozy ambiance. TIARA ARTOS is tufted from 100% pure new wool (Wools of New Zealand).

A clever mingling of the yarn gives this natural product long lasting appearance retention. A grainy loop construction paired with a lively mélange of the yarn lends TIARA ARTOS a timeless look. Six natural colors ranging from classic white to oak colored brown allow for an attractive material mix in the interior décor, in particular in combination with wood.

The scale-like texture of the wool provides a protective layer around the wool fiber which resists water drops and soil. In addition, wool helps stabilize relative humidity by absorbing or releasing moisture making the indoor environment more comfortable.

TIARA ARTOS features the following **exceptional characteristics**:

- Hard wearing loop pile made from 100% pure new wool (Wools of New Zealand)
- High sound absorption properties
- Excellent insulation reduces heating cost
