TIARA PIANO

TIARA PIANO is a timeless carpet with a twist surface texture, available in deep earth tones and intense home décor colors for the residential area.

The color palette consisting of 15 hues allows for interesting combinations and myriad design options. TIARA PIANO's specific yarn blend of wool, polyamide and polyester combines the high performance properties of wool with those of the synthetic fiber.

Wool enhances the indoor environment, it is soil resistant, naturally flame retardant and has long lasting resilience. A hefty pile weight of 1400gr/m² (41 oz/sq.yd) made from a combination of high quality pure new wool of New Zealand and sturdy English Merino wool stands for supreme durability and efficiency. The addition of the polyester fiber provides higher resilience and long lasting appearance retention.
